## VOGUE DENTAL STUDIOS TERMS AND CONDITIONS

Vogue Dental Studios is an active website with regular updates and changes. The information on this page is up-to-date as it currently appears. All material on this page is strictly protected by copyright. The Vogue Dental Studios Company is the official copyright owner. The combined content includes items that are the property of affiliates and other external providers who have provided authorisation of the publication of their material.

This material is also protected by copyright and other intellectual property laws. You, as a viewer, may display and, subject to any expressly stated restrictions or limitations relating to specific material, download portions of the material from the different areas of the Service solely for your own non-commercial use. Any redistribution, retransmission or publication of any material is strictly prohibited without the express written consent of Vogue Dental Studios. As a viewer of the Vogue Dental Studios website, you are obliged to not change or delete any proprietary notices from materials downloaded from the service of Vogue Dental Studios. You may not make alterations or additions to any material on this site or sell or misappropriate it. Material may be downloaded or copied for personal use only. Appropriate and formal acknowledgment from Vogue Dental Studios is required if material is re-published in any format.

All information is intended for the general knowledge of our patients and is not a substitute for dental or medical advice. It is also not a substitute for specific dental or medical conditions. We advise for all our patients to seek further medical advice from a professional if they have a specific health issue. The use of this online service is subject to the disclaimer and the terms and conditions.

### Terms and Conditions for Promotions

Any specials or promotions can only be made available to our viewers after a careful evaluation has been done to assess your suitability for the specific treatment. Please note, results will vary for all patients which will be discussed with each individual patient prior to any commencement of treatment.

### Complimentary Consultation

Vogue Dental Studios charge a fee for consultation appointments. This amount ranges between \$50 and \$120 depending on the length of the appointment. This fee will be waived for this complimentary consultation offer for **new patients only**. The free consultation is inclusive of a comprehensive examination but does not involve diagnosis or assessment of any dental conditions or XRAYs. This is specifically for a consultation appointment only in which the patients can discuss their concerns and have a broad idea of their treatment options and available resolutions. It may also include taking photographs of the teeth. Further examination, cleans, radiographs or associated structures which will have to be at another appointment and will involve normal practice fees. Appointment times can vary between 15 to 60 minutes depending on what is needed. We cannot guarantee a conclusive time frame for each patient or each appointment.

### Disclaimer

Vogue Dental Studios firmly believe in responsible aesthetics. Every cosmetic, medical or dental procedure, both invasive and non-invasive, have their inherent risks and benefits. Results shown may vary from individual to individual. Each patient will require a thorough examination and consultation for a personalized and private treatment plan and/or treatment suggestion(s). Please feel free to discuss this with your health professional prior to commencing any treatment.

Making informed decisions is critical for long-term success. Vogue Dental Studios will try our best to be transparent and informative throughout your entire experience. We strictly keep the privacy and confidentiality of every client as our top priority. Patient information and images that are shared are presented with the full consent of our clients. Every individual is unique and every case has exclusive aspects. Because of this, NO TWO DENTAL or MEDICAL procedures or treatments will have the exact same results – even if patients are fairly similar and even if the procedures are performed with the exact same method.
